FORMALDEHYDE STATEMENT

Tris GMP

BioSpectra does not intentionally add or use Formaldehyde in the BioSpectra manufacturing process of Tris, Bio Pharma Grade. BioSpectra has evaluated the raw material supply through the Supplier Qualification Program, and can state based on this evaluation that free formaldehyde concentration is essentially nil in the raw material received by BioSpectra, although free formaldehyde is not routinely measured by BioSpectra's approved Raw Material Supplier. BioSpectra has analyzed Tris, Bio Pharma Grade for Formaldehyde during Degradation and Impurity Profiling as part of manufacturing process validation.

Current Product Number
TRIS-4223
