Revision 1

CONFLICT MINERALS STATEMENT

Conflict Minerals are defined in 2010 United States legislation, Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 1502(e)(4) as columbite-tantalite (coltan), cassiterite, gold, wolframite, or their derivatives, or any other mineral or its derivatives determined to be financing conflict in the Democratic Republic of the Congo or an adjoining country. 3TG is defined as Tantalum, Tin, Tungsten, and Gold.

BioSpectra evaluates the source of the raw materials used in production through the Supplier Qualification Program. BioSpectra does not intentionally add or use any conflict minerals or 3TG in the BioSpectra manufacturing processes and therefore they are not expected to be present in any BioSpectra products.
